

Juvo 'Tilt in Space' Shower Commode

Product Code: 1951J

The ultimate tilting shower commode to assist in the transportation of the user for showering and toileting.

The Juvo 'Tilt in Space' Shower Commode is a versatile and durable solution designed to assist with patient transportation for showering and toileting. It features a smooth gas strut tilt mechanism with a multi-position tilt of up to 35 degrees, offering comfort and ease of use. The commode can be conveniently positioned over a toilet and is built with a robust, total stainless steel frame for longevity. The patented TearSafe design ensures safety by eliminating protrusions, and the 125mm stainless steel castors, equipped with four brakes, enhance stability. Additional features include swing-back, independently adjustable armrests for easier side transfers and patient access, along with two-position height-adjustable armrests for added comfort.
