

Staebel X-AIR Chair

Product Code: 50362

Designed for the treatment & prevention of pressure problems relating to long-term seating.

The Staebel X-Air Deluxe Chair Bed has been designed for the treatment and prevention of pressure problems related to long-term seating. Using a contoured dual layer air cushion overlaid with pressure relieving high density foam, the X-Air Chair Bed evenly distributes the occupant's weight, ensuring that there are no main pressure points that can restrict circulation.

Product Benefits:

- Ideal for dependent clients who are confined to a chair for long periods
- Pressure relieving memory foam, contoured backrest with lumbar and lateral support, angled armrests and adjustable wings and neck pillow ensure maximum comfort and postural support
- Integrated air cell in seat for premium pressure relief
- Tilt in space recline action and high leg rest elevation for reduced fluid retention
- Designed for use with standing and transfer hoists
- Large push handle and simple recline mechanism makes movement and operation safe and easy
- Resilient European four-way stretch vinyl is fluid resistant, fire retardant and vapour permeable with antibacterial and non-allergenic properties
- Soft-stretch vinyl is used on inner contact surfaces, while hard-wearing vinyls are used on the outside of the chair
- Removable seat and back covers for infection control
- 4 x twin swivel locking castors (one directional) for easier mobility

Also Available:

- Meal Tray (5138143)
- Footrests (50369)

Specifications:
