

Cira Tilt Bed

Product Code: 7-CIRA

The Alrick Cira Tilt Bed offers refined functionality with a homely feel. Designed for more complex needs, this bed supports bariatric or high-dependency care without compromising on comfort or aesthetics. It's a reassuring presence in any care

setting where dignity and durability are paramount. Available in Single to King Double sizes, this bed not only enables effective fall prevention, but also promotes user mobility & independence with the incorporation of Wi-Bo Four Part Rail System.

The Four Part Mobilisation Rails are designed for safe mobilisation and ideal for getting out of bed thanks to their divided, individually positionable sections. They are easy to grasp, providing effective support.

Customisable frame colour & endboard colours and styles to suit the users or carers needs or room aesthetics.

Hi-Lo model provides appropriate working requirements for caregivers & easy access for users
