

## Lumi Bed

Product Code: 7-LUMI

The Alrick Lumi Bed offers refined functionality with a homely feel. With smooth adjustability, safety-focused features, and a warm, non-institutional aesthetic, the Lumi is ideal for aged care homes and assisted living environments

that want to blend comfort with care. Available in King Single to Queen Double sizes, this bed not only enables effective fall prevention, but also promotes user mobility & independence.

The Four-Part Rails allow for safe mobilisation and are ideal for getting out of bed thanks to their divided, individually positionable sections. They are easy to grasp, providing effective support.

Customisable endboard colours and styles to suit the users or carers needs or room aesthetics.

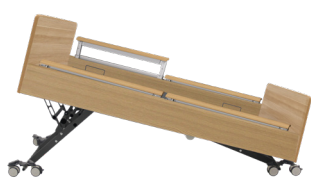

Low bed model with a low height of 200mm to ensure prevention against falls injuries.
