

Zyra Homecare Bed

Product Code: 7-ZYRA

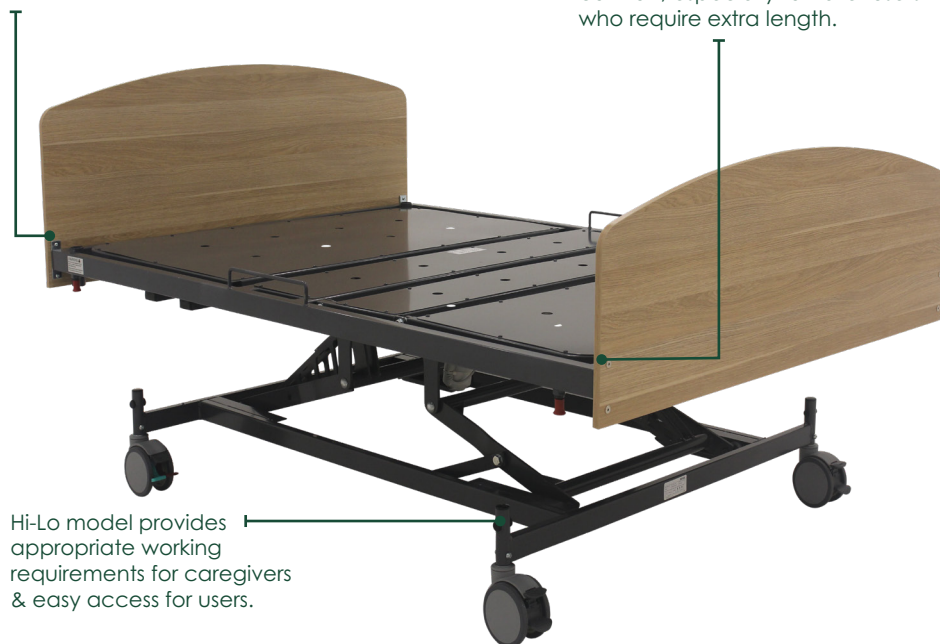

The Alrick Zyra Homecare Bed is manufactured with a robust design to ensure safety and stability. The bed's sturdy construction, reinforced frame, and high-quality materials contribute to its exceptional safe working load capacity of 500kg.

Whether you require additional support due to medical conditions or simply prefer the reassurance of a higher weight limit, this bed delivers strength and durability from King Single width to King Double.

Suitable for bariatric users with a safe working load up to 500kg.

Pull Out Extension enhances user comfort, especially for taller users who require extra length.

Hi-Lo model provides appropriate working requirements for caregivers & easy access for users.
