2958 Staebel Digital Chair Scale

# The Staebel Digital Chair Scale with its patented design maintains reliability and uncompromising precision.

The Staebel weigh chair is a stable well constructed Chair Scale which provides the operator and patient ease of use, especially small children, elderly, frail and handicapped patients. The arm rests move up on both sides of the chair for easy patient transfer to and from the chair scale and firmly fold down when the patient is seated, this reduces lifting strain on both the patient and staff.
